

## Roke Volleyball Club - Open Tournament 2017 Sunday September 3rd

Dear Volleyball Players,

On behalf of Roke Volleyball Club, I would like to invite you to enter a team in the Roke Volleyball Open Tournament 2017, our annual outdoor tournament which will once again be held at the venue of IBM Hursley Park, near Winchester. The tournament will take place on **Sunday 3rd September 2017**.

### **Format**

We run the tournament as an open format and teams can be made up of men and women of any age (there are no restrictions on the gender make-up of a team). Teams are seeded for the morning pool matches, the results of which decide which group you play the afternoon in. Everyone has a chance to make a final.

### **Competitive and Recreational**

As with last year, we will be running two separate competitions:

- Competitive – if you play to win then this is for you!
- Recreational – if you're looking for the perfect end to a summer of fun then go for this.

Please let us know which half you want to be in when you enter!

### **Entry**

You can enter by sending us a completed entry form (see below), or by entering online at <http://www.rokevolleyball.org.uk/tournament.html>

The entry fee this year has been kept to **£30** per team. You can pay in any of the following ways:

- Send us a cheque payable to "Roke Manor Volleyball Club" with your entry form
- Pay online to the club's account:
  - Account number: 00507583
  - Sort code: 30-97-58
  - Please include your surname as a reference for the payment
- Pay on the day when your team checks in.

If you can't get a full team together then please let us know as we can find some extra 'pick-up' players for you. If you have lots of players then feel free to enter as many teams as you like!

Please help us make this a success by replying as soon as possible using the form below; the closing date for the entries is **Wednesday 30th August 2017**.

There is a bar with veranda overlooking courts and we will be running a barbecue and cake sale. Full details of the event will be sent to teams in advance of the day.
